STATEMENT

18

19 This bill appropriates \$10 million in capital construction funds
20 from the General Fund to the Department of Environmental
21 Protection to dredge the Black Creek and Wreck Pond, which are
22 located in Spring Lake Heights, Spring Lake and Sea Girt,
23 Monmouth County. During heavy rainfalls, significant pollution
24 from these bodies of water drain into the ocean, causing beach
25 closures in Spring Lake. This project should serve to mitigate this
26 problem and prevent future beach closures.
